

Recabites Youth Ministries International Limited

Dear friends and family,

19/1/2020

Here an update from us again. We had a small break as we have been busy with raising funds and we had time with our friends and families during the festive season. We hope you had a good festive season as well. In January we continued our work by organizing a Bible Study. We hope by all our activities the youth in Jinja will learn more about Christ and will encounter Him in personal ways.

As mentioned, we took a short break in December, as we needed funds in order to continue our work. We shared in churches, with some friends and family members and we made a GoFundMe page. It is still difficult to raise funds, but we thank God for the provision so far. Especially the fundraising in the Vineyard church in the Netherlands will be really helpful to our ministry. In the coming months we will keep on praying for funds, so that the work of the ministry will be able to move on well. Besides that, we organized a Bible Study on the 12th of January.

The Bible Study took place in the St. Peter's church in Wairaka, Jinja. It was a great opportunity to host an event in this church as the church is located in the center of Wairaka and it has a lot of space. We had a great afternoon in which Mr. Baskana Hannington from Liberty Church Ministries International shared on the topic "Knowing God". He encouraged the youth to read the word day and night and to live as living sacrifices to God. He told them to stay close to God as Christ lives in them. All of this was backed up by scriptures. A lot of students will be going back to school this week. We hope that the message of Mr. Baskana will help them when they go back to school and face all the temptations that come with that. In order to overcome the temptations of the body and the world we need to have faith in Christ and be rooted in Him.

In February we are going to continue our work. We are still in the process of prayer which activities we will host. We see that there is a need for so many different activities, so we want to do what God puts on our hearts. We feel really blessed that our organization already has had the opportunity to minister to both believers and non-believers. We want to keep on reaching out to them and encouraging them to live a Godly, healthy and productive life.

Thanking:

- For provision so that we were able to continue our work
- For the youth that attended the Bible Study
- For the good cooperation between the different members of the organization

Praying:

- For the Ugandan youth who will soon go back to school and face a lot of peer pressure
- For provision on the long term and monthly supporters
- For God's guidance in every decision we make

With kind regards,

William, Ben-Alex, Joel, Anifu and Elise
