

# Recabites Youth Ministries International Limited

Dear friends and family,

5/11/2019

Here is already the second newsletter of Recabites youth ministries. We are excited to share with you what has been going on the last few weeks. We have been busy with the registration process in Kampala and Jinja and we held a youth conference on Sunday the 27<sup>th</sup> of October. We have seen Gods faithfulness and we are trusting that He will keep on helping us to do His work.

First of all, we want to clarify the name of our organization. The official name for our ministry is Recabites Youth Ministries International Limited. We based the name on Jeremiah 35. In Jeremiah 35 the story is told about the family of the Recabites. God gave their forefather Jehonadab instructions how to be obedient to God. For generations the Recabites followed the commands that were given unto them by their forefather. Because of this, generations later, God used the family of the Recabites as an example to the Israelites about how to obey God's words. As an organisation we also want to obey God fully and to follow Him wherever He calls us. We hope that our obedience to Christ will inspire the youth surrounding us, just as the Recabites were an example to the Israelites. We believe God called us to invest in the Ugandan youth so that they can live a Godfearing, healthy and productive life and so we want to obey Him in this.

Part of this was officially registering our organization in Uganda and on the 18<sup>th</sup> of October this finally was realized. We are delighted that we can now operate completely legally all over Uganda and we want to thank you for your prayers as they mean a lot to us. The document in the picture is our official certificate of incorporation. Despite the organization being registered, it still needs to be

based in Jinja, Uganda as that is where we are operating from, so we are still working upon this. We again needed to get some documents to hand in at the town council, so we went to Kampala to get a resolution and needed to draft several documents. We would appreciate prayer on this part of the registration process so that this process will run smoothly as well.

Besides the registration process we have also been busy with organizing our second youth gathering on the 27<sup>th</sup> of October at joy primary school, Jinja, Uganda. The theme was "Start small, grow big" and Njumi, Magret and Brian spoke. First of all, we are thankful that we saw Gods

provision for the finances needed to organize the event. With this we were able to get a venue, pay for the transport costs for the speakers and we were able to buy some snacks and drinks for the youth. The youth gathering was a success. The turn up was a bit lower than expected as the rain hindered some youth to come. Despite the unfavorable weather, luckily still about 25 youngsters came to participate in the gathering. The first speaker shared about God being the one who started work and he encouraged the youth they should copy Him since we are all made in His image. The second speaker expanded on this topic and discussed different ways in which you can start small. God has given each of us talents that we can use to invest in God's kingdom. The last speaker shared about poultry in specific as an example to start small and grow big and gave some practical advice about how to keep chicken as a source of income. We hope the youth got encouraged to start small and believe in themselves they can grow big.

At the end of November we are planning to organize another gathering. The theme will be "We are the light of the World - Let's live as examples to others". We are still in the process of praying about whom to invite as speakers for this conference. We would appreciate your prayer in the preparation for this event and pray for us that God will provide financially so that we can have this gathering at the end of the month. If you want to keep updated, we have a Facebook page and a YouTube page. For any information you can also always send us an email or a WhatsApp message. The details are mentioned below. Thank you for reading our newsletter and praying for us. May God bless you.

With kind regards,  
William, Ben-Alex, Joel, Anifu and Elise
